

The Genuine. The Original.

OVERHEAD DOOR[®]

Legacy[®]
GARAGE DOOR OPENER

Premium Power and Reliability

Chain drive design and solid-steel T-rail combined with powerful motor choices provide greater lifting force and lasting performance.

- Long-lasting durability thanks to rugged full-chain design and solid steel T-rail
- Fully enclosed, permanently lubricated gear housing—reliable performance
- Sleek and contemporary contoured design

Convenience Options

Enjoy your new Overhead Door® garage door opener to the fullest with optional accessories.

Extra Remotes

Multi-function Remote Controllers

(Available as 2 or 3-button remotes)

These remotes operate multiple garage door openers and come with our CodeDodger® Access Security System.

Mini Remote Controller with Key Chain

(Available as 4-button remote)

This mini remote works just like the multi-function remotes but is small enough to keep with your keys.

Remote Controller with Flashlight

The 1-button remote works just like the multi-function remote and features a light for added nighttime convenience.

Digital Wireless Keypad

Available in four colors, this lighted keypad features a flip up cover and lets you control up to three garage door openers.

*For as long as you own your home. Non-transferable warranty. See owner's manual for details.

Standard Features

CodeDodger® Access Security System

Each time the remote control is activated a new access code is selected from 4.3 billion possible combinations to prevent piracy of the radio signal that opens your door. The system works with up to seven remotes for one door.

Frequency Range

Reliable frequency range to ensure consistent operation.

Self-diagnostic Safe-T-Beam® System

When objects pass through the infrared beam, the door automatically stops closing, and then reverses. The system's self-diagnostic functions alert homeowners of improper operations, pinpoint specific problems and help identify solutions.

Light System

Illuminate your garage with our built-in light system.

Deluxe Wall Console — 696

Features a security vacation lock and an independent light control with energy saving shut-off.

Distributor Services

Installation

Selection of an Overhead Door garage door system includes the expert installation services of our professional Ribbon distributors. Turnkey services maximize the value of your product choices.

Routine Maintenance

Let your Overhead Door distributor ensure that your garage door system operates at peak performance year-in and out. Ask your distributor about routine system maintenance "tune-ups" and other professional services offered.
